

ICFCC 2021

2021 The 13th International Conference on Future Computer and Communication

Science and Engineering Institute (SCIEI) sincerely invite you to take part in 2021 The 13th International Conference on Future Computer and Communication (ICFCC 2021) in **Singapore** during **February 20-22, 2021**.

Publications

Option A:

Special issue of conference proceedings

Indexed by: Ei Compindex & Scopus

Conference Proceedings for last 11 years had been indexed by Ei Compindex & Scopus. And the indexing for ICFCC 2020 is coming.

Option B:

International Journal of Future Computer and Communication (IJFCC)

Indexing: Engineering & Technology Digital Library, DOAJ, Crossref, Electronic Journals Library, EI (INSPEC, IET).

Scopes

Computer Engineering

Algorithms
Bioinformatics
Computer Simulation
Control Systems
Data Mining
Expert Systems
Image Processing
Multimedia
Natural Language Processing
Robotics
Technology in Education

Communication Engineering

Communication Networks
Wireless Communications
Mobile Communications
Infrastructure for Next Generation Networks
Information & Communication
Coding Theory
Optical Communications
Internet Technologies
Communication Software
Ad-Hoc
Sensor Networks

Important Date

Submission Deadline:

September 10, 2020

Notification Deadline:

September 30, 2020

Registration Deadline:

October 15, 2020

Submission Method
